CONGRATULATIONS TO OUR 40TH CITIZEN'S POLICE ACADEMY

A Special Milestone!

If it was a wedding anniversary, it would be the Ruby. The Chesterfield County Police Department's Citizen's Academy just graduated it's 40th class on April 9th, 2019. The participants were excited to get a behind-the-scenes to look into the inner working of their police department. Instructors from Forensics, Investigations, the Office of Professional Standards, and the Office of the Attorney General all provided valuable information from their fields of specialty. Distinguished guests such as Chief Jeffery Katz also greeted and spoke with the participants as well.

Additionally, this class took part in an exciting new venture for the Citizen's Academy. The department partnered with the Trauma Program at Johnston Willis Hospital to host the Academy's first Stop the Bleed class. In a world where a mass casualty event is a real possibility in our day to day lives, being able to stop severe bleeding may be the difference that could save someone's life. The program was a huge success and will be a part of the Academy program going forward.

Academy attendees graduated the program not only with a greater understanding of what it means to be a police officer, and a better partnership with the officers in their community, but also new skills that could help save a life!

Chesterfield TRIAD brings senior citizens and public safety agencies, including representatives of the police, fire and sheriff's departments, together. To mark this momentous event, this year's theme is Roaring into the '20s! Senior Day is an opportunity for these special members of the Chesterfield County family to enjoy programs, visit a variety of vendors and learn about topics specifically geared toward their interests. In keeping with the '20s theme, this year's entertainment will be provided by the Triple Crossing Jazz Project. Hope to see you there!
